

**Miami Valley  
Beekeepers Association  
Invites you to:**

**Monday, April 5  
7:00 P.M.**

**Brukner Nature  
Center  
5995 Horseshoe  
Bend Road  
Troy, OH 45373**

**An Evening with  
Jim Higgins  
“Dr. Sting”  
a presentation on:  
Apitherapy  
(Bee Venom Therapy)  
and Hive Products**

Jim Higgins has studied **Bee Venom Therapy** under the leading pioneer of apitherapy, Charles Mraz, and has travelled the world lecturing on the subject.

Jim has trained other bee venom therapists, is a guest speaker at the American Apitherapy Society’s annual school, and is on the Board of Directors of The American Apitherapy Society and The Ohio State Beekeepers Assoc.

He has authored articles published in "Bee Culture", "The American Bee Journal", and "The Journal of the American Apitherapy Society".

For more information  
and reservations,  
see our website:

[www.mvbeekeepers.org](http://www.mvbeekeepers.org)

**Come and learn about apitherapy and other  
incredible products of the beehive,  
and meet local beekeepers.**
